

何必四处旅游？在曼谷就能成为国际认可的宝石学家！

Why settle for just travel when you can become an internationally recognized gemologist in Bangkok? GIT, in partnership with Gem A (the world's first gemological institute), is now offering the FGA - Gemmologist Diploma Course (English Program).

This program offers:

- ✈ Save money: Gain 450 hours of professional training at a fraction of the cost of studying abroad.
- ** Earn a globally recognized diploma: ** Be acknowledged by the international gem and jewelry industry.
- ** Master gemstone identification and assessment: ** Develop the skills to confidently buy and evaluate gems.
- ** Become an authorized gem identification report signer: ** Elevate your career prospects in the gem industry.

Pursue your dream career as a gemologist in a lab,
as an instructor, or as a researcher!
